

## **Gastroenterology breaking news!**

11 07 2018 14:43

Paper on CNN for Angiectasia automatic detection and localisation (part of the CAP-CAD project jointly co-investigated by Prof. Aymeric Histace (ETIS/ENSEA) and Prof. Xavier Dray ETIS/Hospital Saint Antoine/APHP) has been accepted for publication in GastroIntestinal Endoscopy Journal, one of the most selective and visible journal in Gastroenterology.
